

Practice News

Introducing Carlene!

We would like to welcome our new member of staff Carlene, a dental nurse who joined the practice in November.

Carlene has nursing experience in orthodontics and is proving to be a great member of the team here at Kendal Dental Care.

We would like to wish her luck in her new role.

Denplan Assessments

We are planning to review our patient's Denplan categories in the new year.

Your category reflects your oral health needs - not only your past treatment, but also how well you are looking after your teeth and gums now.

This means that your category could go down as well as up.

There has not been a better time to put down those sweets and pick up those interdental brushes!

If you have any questions regarding your plan please ask a member of the dental team.

Consent for Family Members

In line with the new Data Protection 'Laws or guidelines?', for a family member to cancel or rearrange your future appointments we will need your explicit consent.

As such, we will soon be providing you with consent forms to complete if you wish to do so.

Practice Holidays 2018-19

The practice will be closing on the following dates:

Christmas Dates:

Tuesday 25th December – 27th December

Bank Holidays:

Tuesday 1st January

Friday 19th April

Monday 22nd April

Monday 6th May

Monday 27th May

Monday 26th August

Practice Closures:

Monday 8th April – Friday 12th April

Monday 23th September – Friday 27th September

During this time emergency cover will be provided. In the event of a dental emergency you can phone the practice on 01539 720302 for details of who to contact for emergency dental treatment.

Electric Handpieces

In the new year we are hoping to introduce brand new handpieces to the practice. These electric-driven handpieces are quieter than our current air-driven ones and have much less vibrations, making treatment much more comfortable.
